

# Sneh Yadav

Versatile MERN Stack Developer with strong skills in JavaScript, React.js, Node.js, Express.js, and MongoDB. Experienced in building scalable web applications with clean, efficient code. Leverages AI tools like ChatGPT to accelerate development and problem-solving. Delivers high-quality results quickly and thrives in collaborative environments.

## Projects

### Imagify ([Link](#))

- Technology Used:– React.JS, TailWindCSS, Node.JS, Express.JS, MongoDB
- Duration :– 2 months
- Description:– Imagify is an AI-powered image generation web app that allows users to create images from text prompts. It uses ClipDrop AI for image generation, Secured user authentication, and Razorpay for managing payments and purchasing credits.

### Learning Management System ([Link](#))

- Technology Used:– React.JS, TailWindCSS, Node.JS, Express.JS, MongoDB
- Duration :– 4 months
- Description:– LMS is a full-stack learning management system. It features secure user authentication with clerk, course creation and enrolment, and payment integration with razorpay. It delivers a seamless learning for students and instructors.

### Spotify-Clone ([Link](#))

- Technology Used:– React.JS, TailWindCSS
- Duration :– 10 days
- Description:– This is a responsive Spotify Clone built using react.js and tailwind css. It replicates the UI/UX of the official spotify web app and showcases components like sidebars, music controls, playlists, and a player screen. This is a frontend-only project.

### Real Estate Management System

- Technology Used:–HTML,CSS, JS, Bootstrap, PHP, XAMPP server, MySQL.
- Duration :– 6 month
- Description: – Developed a secure user authentication and management system with a user-friendly interface for guests and admins, integrated a database for guest data handling, and automated the check-in process to enhance security and efficiency.

## Educational Background

### Bachelor of Engineering (Computer Engineering) 2022-2026

LDRP-ITR , Sector-15, Gandhinagar

### HSC (12th Standard)

MARCH-2022

Sahajanand School Of Achiever, Gandhinagar

- Stream: Science (PCM)

## Skills

### Technical Skills

- C/C++
- HTML,CSS,JS
- React.js
- Node.js
- Express.js
- MongoDB

### Tools/Software

- Windows 11
- VS Code
- Git & GitHub
- PostMan

### Languages

- English
- Hindi
- Gujarati

### Certification

- NPTEL certification on “Python for data science”
- SkillEcted certification on “Mastering Data & Time in python”
- TATA Forage certification on “Cybersecurity Analyst Job Simulation”

## Additional Information

### Soft Skills

- Leadership
- Project Management
- Creativity
- Communication
- Problem Solving
